To All Motorists!

Several months ago we began to hear rumors of spectacular changes the CHRYSLER CORPORATION was planning for their 1955 models.

Three months ago, (without seeing these cars) we laid plans for a complete face-lifting of our premises. Today these plans have become a reality.

We have REPAINTED completely—inside and out—We have NEW SIGNS—We have NEW OFFICE SPACES—We have relocated our PARTS DEPT.—We have MODERNIZED our SERVICE DEPT.—We have purchased and are using in our Service Dept. ALLEN ENGINE TESTING & ANALYZING EQUIPMENT, costing \$1500, which is considered the very latest and best available. We have black topped our rear yard where our BODY and PAINT SHOP is located and have also added other equipment at that location.

Our USED CAR DEPT., 1504 Cabrillo— has been enlarged, repainted and those facilities have been added to also.

Last Tuesday (Oct. 26), we were privileged to witness the unveiling of the
MAGNIFICENT 1955 DESOTO

We're glad we spent the money we did, getting ready for this truly New Car. The 1955 DeSoto and Plymouth, COMPLETELY NEW, will be on display here Wednesday, November 17th.

WATCH and WAIT For Them
 WE HAVE FAITH IN THE FUTURE
 Come in and visit our new home.
